God's Word This Week:

Easter 3

RESURRECTION REALITY: WE HAVE A MEANINGFUL MESSAGE TO SHARE

A platitude is a statement aimed at helping sooth some sort of emotional unease. "What doesn't kill you makes you stronger." Or "Life is a mystery." Or "Good things come to those who wait." While platitudes may be well-intentioned, at best they come off as trite. And since platitudes provide no real help, they can actually make a situation worse. Tell the one whose heart is shattering, "Life is a mystery." They won't appreciate your platitude or you.

The resurrection gives believers the ability to offer more than platitudes. We have a meaningful message to share — of repentance, of forgiveness, of peace, of power. The reality is we have something important to say to every single person that God brings into our sphere of influence. And our risen Savior gives us the courage and power to share that meaningful message.

Adult Bible Class: This We Believe

Our world is full of many voices telling us what to believe. It can be confusing, frustrating, and faith-destroying. What does God say? How can I be certain? Using *This We Believe* a booklet published by our synod (WELS), we investigate the teachings of God's Holy Word. A free copy is available at stpaulslutherannfdl.com/thiswebelieve. *This Sunday and the following Wednesday, we will discuss **Church & Ministry***. Please note that Wednesday now follows Sunday after the snow day 4-3-2024.

Stewardship Moment Stewardship by Arno Wolfgramm NPH page 74

We live in the midst of a "me generation," (pub. 2001) a generation of people who whine and complain when they do not get their way, who are concerned with enriching only themselves, who rarely say thank you to others. One owner of a car made no attempt to disguise his self-centered attitude: his license plate was "NO TIME 4U." When God's people take time to use their gifts (and it will take time!); when God's people give, serve, and encourage (using their gifts without pomp and fanfare); when God's people govern the use of their gifts with unselfish love (the same kind of love that Jesus showed toward us); then God's people will shine prominently in the midst of this dark world. And perhaps others who see our light will be led to glorify our Father in heaven.
