God's Word This Week

Transfiguration

Throughout Epiphany, we have seen that God must uncover for us truths that could not be discovered by us. As this season ends, we are presented with a twist. For God's glory to be revealed, it actually must be covered. God's glory needed to be hidden in Christ. It is hidden in the Gospel. This is how God enables sinful human beings to see his glory and, rather than turning away in fear, stare at it in wonder for as long as they want. The truth God uncovers for us today: when His glory is most hidden, it is most on display. GLORY UNCOVERED

Adult Bible Study Topic: Christian Worship

Few topics generate as much debate and discussion among Christians as public worship. There is certainly no shortage of opinion on the topic of best worship practices. A new hymnal has certainly made us all the more aware of these things. Maybe it's even got us asking what God has to say about worship? Our study will be based on a new book released by Northwestern Publishing House and appropriately titled *Christian Worship*. As we study together may God grant us a better understanding of why we do what we do and a deeper appreciation for the gospel-centered, Means of Grace-focused forms we have. Join the discussion Wednesdays at 8:45 AM and Sundays at 9:00 AM.

Lenten Meals 2022 Wednesdays, March 2 – April 6 between services

WinGS is planning their usual Spaghetti Dinner on March 2 (Ash Wednesday) to kick off the Lenten Season. *Sign-up for donations in the Narthex*. The Gym Improvement Committee is planning on hotdogs on March 9th. If any other groups or individuals would like to plan a lenten meal, please contact the office to reserve a Wednesday. There will be to-go boxes on-site should anyone be uncomfortable with in-person dining but still wish to enjoy a meal.

New Blue Hymnals

New Hymnals are getting their memorial stickers and bookmarkers so that they are ready for the pews at the beginning of Lent (March 2nd). At that time, we will begin using the new books for hymn singing and will print out the Redbook's services in a pamphlet for the pews to save room and start getting familiar with the new books. We will use Lent and Easter to learn the new parts of the liturgy (likely after worship) and hope to begin using the new liturgies in Pentecost which begins June 5th. Don't worry, we will occasionally bring back the other services and a version of the Common Service (p15) is Service Setting One in the New Hymnals.

Stewardship thought from our Epistle Lesson: Exodus 34:29-35

Miracles played a regular role in the life and times of some of those we meet in Scripture. Moses' glowing face is a classic example of God using a miracle to remind the people of Israel of just who they were dealing with. The miracle of Jesus' transfiguration is another example of God reminding people who ultimately is in charge. Every time we confess our sins and are assured they are forgiven we have experienced the miracle of God's forgiveness even though we are sinful, covetous, self-focused people. What is even more miraculous is the same God who forgives our sins compels us to live for him every day. We come to God's house to be forgiven and to share a portion of our worldly wealth, so that the message of forgiveness can continue to be proclaimed.
