FROM THE RIVER TO THE MOUNTAIN: THE DEVIL'S WORK UNDONE

Martin Luther once said, "Where God built a church, there the devil would also build a chapel." Satan and the other demons hate God. They demonstrate hatred by hurting those that God loves in any way they can. The epiphany Christ wants us to have is this: demons are real, they are plenteous, and they are dangerous. But Christ would also have us see that he is continually undoing the devil's work. More, through his Word, Christ Jesus gives us the power to resist the devil and stand firm in the faith.

Adult Bible Class: This We Believe

Our world is full of many voices telling us what to believe. It can be confusing, frustrating, and faith-destroying. What does God really say? How can I be certain? Using *This We Believe* a booklet published by our synod (WELS), we investigate the teachings of God's Holy Word. This We Believe is available electronically at www.stpaulslutherannfdl.com/thiswebelieve.

This week we will look at *Christ & Redemption*.

Guest Preacher:

Pastor Leon Ehlert from Beautiful Savior in Green Bay, WI and father to Pastor Elijah Ehlert. He has graciously filled in this weekend while our Pastor Ehlert and his brother spend some time in Nicaragua. Pastor Ehlert will be back on February 14th just in time for the start of Lent.

Sermon Text: Genesis 11:1-9

Now the whole world had one language and a common speech. ² As men moved eastward, they found a plain in Shinar and settled there. ³ They said to each other, "Come, let's make bricks and bake them thoroughly." They used brick instead of stone, and tar for mortar. ⁴ Then they said, "Come, let us build ourselves a city, with a tower that reaches to the heavens, so that we may make a name for ourselves and not be scattered over the face of the whole earth." ⁵ But the LORD came down to see the city and the tower that the men were building. ⁶ The LORD said, "If as one people speaking the same language they have begun to do this, then nothing they plan to do will be impossible for them. ⁷ Come, let us go down and confuse their language so they will not understand each other." ⁸ So the LORD scattered them from there over all the earth, and they stopped building the city. ⁹ That is why it was called Babel—because there the LORD confused the language of the whole world. From there the LORD scattered them over the face of the whole earth.

School Principal Call

It was announced that Mr. Aaron Hartwig has decided to resign from principal and teacher here at St. Paul's effective June 30, 2024. We keep Mr. Hartwig in our prayers as he finishes his time with us and prepares for a transition to whatever the Lord may have in store. We are more than grateful for the 15 years of service he has given to the glory of God and the benefit of those he has served. It is good and beneficial that we lay out the plan of action moving forward. The calling window for active WELS teachers and principals closes mid-April. A call for principal is generally not filled from MLC given continuing education requirements (they happen but they are rare). This means if we do not have a principal by the end of the calling process, we will likely need to plan for at least a year without.

That said our plan going forward is ...

- A) We will begin calling for someone who will fill the role of teacher and principal in 2024-2025 and into the future here at St. Paul's. Information has already been submitted to Lutheran Schools and ***a meeting is being planned for February 4, 2024.*** May the Holy Spirit bless this step with an accepted call!
- B) If we do not have a principal after the closing of our call window for active teachers, we will seek to fill our classroom with a one-year call, either with an emergency call from MLC or from a list of teachers in the area either retired or inactive, so that we can continue with instruction "as is" here at St. Paul's. We would task our pastors with the administrative duties and our faculty would assume the educational tasks as assigned. As the call window opens again in October, we would begin calling for a principal for 2025-2026.
- C) Should we be unable to fill the vacant classroom with a teacher for the 2024-2025 school year, then we would realign our classrooms to cover the gap for one year. We did this in the past before Mr. Hartwig arrived. We had grades 3-5 and grades 6-8 divided into classrooms. We could decide to divide differently as the time comes as faculty discusses how best to address our current student body. Again, our pastors would be tasked with administrative duties. Expect to hear more on this if April comes and we must transition into plan B. Again, as the call window opens again in October, we would begin calling for a principal for 2025-2026.

It should be noted that regardless of where the Lord leads us in the coming months, we are confident that our current staff will be more than capable of handling the challenges set before them and still be able to provide a Christ-centered, family-focused, educationally excellent experience here at St. Paul's.

2023 Annual Report

It's January 2024! So that means it is time to compile reports for the annual report of the year that has passed. Boards, groups, and committees are asked to have any reports they wish to submit in to Pastor Kampman by the end of January so that we can compile and print the Annual Report for distribution in February.
