God's Word this week: Faithfully proclaiming God's Word is hard. Public ministers serve as God's representative to a sinful world, and the world does not want to accept God's truth. The Old Testament prophet Amos found that out; Paul and Timothy found that out; Jesus' newly-called apostles would find that out. Yet God has chosen faithful public preachers as a way he will have the good news of Jesus come to his chosen ones in all nations. Thank God for faithful public preachers and teachers of the gospel! By them Jesus gives us the Bread of Life.

Thank you to our kind volunteers who help **clean** the church, **mow** the lawn, and help with many other projects. If you'd like to participate in cleaning or mowing, please sign up today. We can use your help.

Ushers this weekend are Teams Babler and Schwartz. Next weekend (*July 21/22*) ushers will be (Sat) Team 1 (D. Schumacher) and (Sun) Team 16 (B. Bruss). Our **greeters** are Pam Eckert and Barb Taddey. Next week they will be Pam, Trish Babler, and the Carlton Kastorff family.

Sunday School Teacher Needed: We are looking for a Preschool Sunday School teacher for the coming school year. It can be either one individual or a "team" dividing responsibility -- however it works best for you. Should you be interested, please contact Pastor Kampman. We do ask that our Sunday School teachers, and all of our members, be faithful in worship, setting a positive example for Jesus' little lambs.

The Voters of the congregation will meet on Sunday, July 29th, after the late service at about 10:00am. We hope our voters will answer the call to attend and participate in the action of servant-leadership.

In the Lord's Supper the Savior gives us his true body and blood in and with the bread and wine to forgive sins and strengthen faith. It is also an expression of the unity of faith we enjoy based on our agreement with everything the Lord teaches us in the Bible. Members of the WELS and ELS are invited to commune. Please register in the entryway or pew folder. Preparation questions are in the hymnal on page 156.

If anyone has a heart for our special ministries program and would like to support it monetarily, St. Paul's pays the ARC of Fond du Lac \$5 per worshiper to transport them here and back home for our monthly *Worship at the Cross* service for the developmentally disabled. St. Paul's transportation costs for the past 7 months were \$750. If helping this outreach ministry interests you, please mark your gift "WATC" and put it in the plate or bring it to the office. Any amount will help. Thank you very much!

National LWMS Rally Report

From June 21-24, 1,450 women attended the 55th annual Lutheran Women's Missionary Society (LWMS) convention held in Green Bay. Special guests included members from our mission field on the Apache reservation and members of South Asian Lutheran Evangelical Mission, WELS' sister church body in Hong Kong.

The LWMS serves Jesus "by increasing awareness of, interest in, and support of the mission outreach of the Wisconsin Evangelical Lutheran Synod." The convention features WELS missionaries sharing stories from their mission fields, worship services and devotions, and displays that offer more information about WELS' missions and the organizations that support them.

One highlight was the keynote presentation by Rev. Kirk Massey and Rev. Gary Lupe, Apache pastors who told attendees about the 125 years of God's grace during which WELS has been sharing God's Word on the Apache reservation. As Massey presented the history of the mission field, Lupe entertained the audience with stories from his life and ministry. To learn more about the Apache mission field, visit nativechristians.org.

Wendy Wright, from Joplin, Mo., shared her story of how she was inspired by a presentation at the 2017 LWMS convention to pursue opening a home mission in her community. As she noted, "On April 12, [our core group] heard that we were selected as a new WELS mission! Only 10 months after God provided the seed at the last convention, he prepared the soil and watered it . . . and we are now rejoicing in seeing a home mission sprout up in Joplin, Mo.!"

Every year, local LWMS circuits collect offerings for one Home and one World Missions project. Over the course of 2017–18, the LWMS raised \$37,985 each for Cameroon projects and the Caribbean Scholarship Fund. The LWMS also raised \$49,443.57 for feeding Jesus' lambs in Nepal through its kids c.a.r.e program. "We thank the women of the LWMS for this generous support," says Rev. Keith Free, administrator of WELS Home Missions. "The LWMS is an active partner with both Home and World Missions." For information on the 2018-19 mission projects and to learn more about the 2019 LWMS convention being held in Des Moines, Iowa, from June 27-30, visit lwms.org. To view recorded sessions from this June's convention, go to livestream.com/welslive.

Also of note, our fellow St. Paul's member, **Trish Babler**, was reelected to the LWMS Board of Directors and continues to serve as its communications coordinator. We are grateful to Trish for serving LWMS with her time and talents!
