God's Word This Week

Pentecost

Jesus ascended into heaven. That does not mean the Gospel has ceased to march victoriously around the world. Jesus promised to send another advocate to represent God to the world: the Holy Spirit. The Spirit is the constant companion of believers in these last days. This raises an important question. If God now reveals Himself by His spirit, where is the Holy Spirit found? God has not left the answer to that question in doubt. When Jesus promised to send the Spirit, He indicated that His work would be connected to words, specifically God's Words. As a result, we need never wonder where we can find the Spirit. HE MARCHES VICTORIOUSLY THROUGH THE WORD.

Coming soon to a pulpit near you.

Over the Summer we figured it would be nice to work on a series of catechetical reviews. This summer we will preach our way through the Ten Commandments (one commandment per week) beginning next weekend with Holy Trinity Sunday which dovetails nicely into the First Commandment. Don't worry, it won't be all law. As we study the commandments, we will also be reminded that our Savior Jesus has kept these too for us.

Worship & Communion Prayers have been added to the Hymnals

A page of worship and communion prayers has been added to hymnals. It is located in the front cover as you open the book. Should you want a sticker for your hymnal at home, let us know and we can get you one.

A note about our plants

Just a reminder that even if our plants look dry someone is caring for them on a weekly basis. Of late, they have been getting a little too much water and have begun to smell a bit as a result.

Save the Date for Summer Fun at Vacation Bible School

St. Paul's will offer its annual Vacation Bible School from August 1-5 (9:00 AM - 11:30 AM). This year's theme is "The Tree of Life: God's Promise of Salvation." We'll explore Bible accounts guiding us through the epic story of salvation, from creation at the beginning of Genesis, to the cross of Christ, and finally to Jesus' return in Revelation. Be sure to join us for fun lessons, music, crafts, snacks, and activities to learn how Jesus' cross became the tree of life forgiving our sin and giving us everlasting life! Want to register? www.stpaulslutherannfdl.com/vbs will take you through the process to reserve a spot for all the summer fun. Please keep your eyes open in the narthex for opportunities to help and to donate all the various items we will need. Have any questions or want to help or volunteer, please reach out to Pastor Ehlert.

St. Paul's Lutheran School

Preschool through 8th Grade

Smaller class sizes ... more individualized attention ... a supportive family. Sounds good, right? We think so and it all happens as we teach more than the subjects and skills our children will need for life, but also hold out the strength to endure a world plagued by sin and overcome by hatred, disaster, and death. The Bible is the foundation for everything we do and we think that makes for a pretty special place. Contact Mr. Aaron Hartwig to learn more about all St. Paul's Lutheran School can do for you and your family. Registration is open!

Northern Wisconsin District Convention June 14-15

All of our male called workers are headed off to our District Convention at Fox Valley Lutheran on June 14 and 15. Pastor Kampman and Mr. Loescher are serving on the Committee reviewing the work of Human Resources: Continuing Education. Pastor Ehlert is on the district committee discussing Discipleship. Mr. Hartwig is on the Committee for Christian Giving. Feel free to ask any of them about the work they are doing over those two days, and have already been doing as many committees are meeting virtually to prepare for the convention.

Stewardship Thought

Stewardship by Wolfgramm, Arno J. NPH 2001

"I saw a plaque with the following inscription: 'What you have is God's gift to you. What you do with what you have is your gift to God.' 'What I do with what God has given to me'—those words are a good working definition of stewardship ... My stewardship, then, is my management of what God has given to me on earth. ... It involves what I did with my life yesterday, as well as my plans for tomorrow. It involves the way I am spending my time right now. Stewardship is an especially practical matter for the Christian ... We know the Savior who bought us with his blood ... we desire to serve our Lord and Savior with all that we have."

Information Request for those graduating from tech schools, colleges, or other advanced degree programs

We would love to let the congregation know where our young people are all headed so that they can remain in the prayers of their fellow Christians here at church. We hope to list all students graduating from tech schools, colleges, or other advanced degree programs in next week's bulletin. *Please e-mail Pastor Kampman your student's name (first and last), the school they are graduating from and the future plans your graduate has.* We will also use this information to let our synod know where our youth are so that various freebies can be sent out to them.
