God's Word This Week

Easter 3

Recent survey asked Americans which of the five senses they would least like to lose. 77% chose sight. Navigating life blind poses a plethora of challenges that the sighted do not face. This is why scripture often uses the concept of blindness as a metaphor for how hard it is to navigate life without a correct understanding of Christ. Spiritual blindness can take many different forms. In some cases, it is hostile opposition to the message of Jesus. In others, spiritual blindness might be demonstrated in confusion about Jesus' true identity. No matter the specific form spiritual blindness takes, Easter has the power to replace it with sight. Easter allows us to see where we sinners stand with the holy God. It enables us to see the path through life which is worth pursuing (as opposed to those that lead to a dead end). Spiritual sight gives us the ability to see who holds our future in His hands and who was worth our eternal worship.

Adult Bible Study: Judges 8:45 AM Wednesdays & 9:00 AM Sundays

Join us as we examine one of the most turbulent and sin-filled times in Israel's history. Judges is full of murder, lawlessness, oppression, and immorality. Increasingly flawed 'heroes' are sent to deliver them. We'll discover as we wade through history that there is really only one true hero in Judges: God.

Georgene Schuett (January 14, 1940 – April 28, 2022)

The Lord, in His mercy and grace, saw fit to call home Georgene Schuett, our Christian sister, on Thursday morning. We keep her family and friends in our prayers as they mourn their loss and yet rejoice in the victory Georgene enjoys even now. At her request there will be no formal funeral service but rather a small family graveside service at a later date.

St. Paul’s Lutheran School Preschool through 8th Grade

Smaller class sizes ... more individualized attention ... a supportive family. Sounds good, right? We think so and it all happens as we teach more than the subjects and skills they will need for life, but also hold out the strength to endure a world plagued by sin and overcome by hatred, disaster, and death. The Bible is the foundation for everything we do and we think that makes for a pretty special place. Contact Mr. Aaron Hartwig to learn more about all St. Paul’s Lutheran School can do for you and your family.

Women in God’s Service (WinGS)

This group of women within our congregation seek to serve in a number of ways. They show the love and support of the congregation by sending out cards to members who are ill. They assist with clean up after funeral meals. They set up for communion whenever it is offered. Pick up flowers purchased for special occasions for the altar. Support the various arms of ministry with donations both here at St. Paul’s and throughout the WELS at large as they join in the Lutheran Womens’ Missionary Society (LWMS). Oh there is fellowship and laughs as well ... it doesn’t all have to be business after all. Consider stopping in for a meeting to see what goes on. Our last meeting before the summer is Tuesday, May 3 at 6:15 PM.

Mowing ... maybe ... sometime soon ... hopefully

If you love to mow, we can put you to work. Eventually, we will need volunteers here and at Zion Cemetery in Van Dyne. Go to the church website and click on volunteer on the ribbon at the top of the page to see when you can sign up or stop by the information centers in the narthex.

Easter Flowers

The flowers donated for Easter are truly a joy and beautiful to behold. However, a few of them are starting to show that they are not long for display here at church. If you donated plants and would like to enjoy them at your own home. Please feel free to take them. If left here, we will care for them as long as possible before ultimately recycling them.

Hospital Visits

Most hospitals are once again allowing a few visitors per patient. In most cases Pastors don't count as visitors so we can come and go as needed. Please let one of the pastors know if you have a hospital stay coming up or have a family member contact us if an unexpected stay has occurred. (The hospitals are a little sketchy on contacting us.) We have no problem visiting wherever you may be.

Preschool Call Returned

Mrs. Kari Pieper has returned the call to serve as our preschool teacher here at St. Paul's. As was already the plan to submit our name for consideration for a graduate from MLC. A few more contingency plans will be in the works should we not get a graduate.
