God's Word This Week

Easter 5

The disciples argued among themselves about who was "greatest" (Luke 22:24). We are not immune from such hubris. Sinful man is entirely self-focused. We often try and prove our goodness by comparing ourselves to others. You see this sense of superiority in the way we prioritize life, typically putting our wants ahead of others. Easter ends this focus on self. Right now, we know we have value, not because of the greatness of our actions, but because of the great things Christ did to save. We also know a resurrection to glory is in our future. Easter helps us avoid the trap of self-glorification and opens our eyes to a more excellent way: selfless love. Christ did not glorify himself but selflessly did everything for the benefit of others. This week, he promises to be our inexhaustible power supply that we might also put selfless love into practice. SELFLESS LOVE MARCHES VICTORIOUS OVER SELF-GLORIFICATION.

Adult Bible Study: Judges 8:45 AM Wednesdays & 9:00 AM Sundays

Join us as we examine one of the most turbulent and sin-filled times in Israel's history. Judges is full of murder, lawlessness, oppression, and immorality. Increasingly flawed 'heroes' are sent to deliver them. We'll discover as we wade through history that there is really only one true hero in Judges: God.

Save the Date for Summer Fun at Vacation Bible School

VBS has been slated for the first week in August (1-5). If you would like to help, please contact Pastor Ehlert.

Fund for Future Called Workers – administered by WinGS

A generous donor began a fund one year ago with the Fond du Lac Foundation in honor of Christian mothers. When it matures to \$10,000, it will produce \$400 dollars each year for anyone pursuing called worker training (college or higher). If there is no one at St. Paul's in need of the benefit, it will also be dispensable to other students in the WLA Association. If you would like to make a donation to help the fund reach its goal of \$10,000 faster, make a gift for the endowment to the WinGS who will deposit the full amount with the FdL Association.

A Thank You for Teacher Appreciation Week

There was a tremendous outpouring of appreciation for our teachers during teacher appreciation week (May 2-6). The faculty and staff of St. Paul's would like to thank all who displayed their appreciation in so many ways. It is a blessing to serve in the kingdom of our God with you here at St. Paul's.

Last Day of Sunday School – May 22, 2022

Our Sunday School Year is drawing to a close. It's a great time to thank our families for allowing us to educate their children in the truths of God's Word. It's also an excellent time to thank our dedicated teachers for the hours they volunteered to the task of teaching our children.

Ascension Service & start of Summer Schedule – May 26, 2022

We will celebrate the Ascension of our Lord on Thursday, May 26 at 6:30 PM. The day marks the transition from the work of Christ finished in the cross and empty tomb to the ongoing work of the church on earth as we continue to hold out the message heard Christmas to Easter in the world around us. We will also dedicate a little time in that service for the graduation of our 8th grade students from our school and preschool – 8th grade students will sing. Ascension will also mark the *beginning of our summer schedule of services* which runs from Memorial Day weekend through Labor Day weekend (Thursdays & Saturdays at 6:30 PM and Sunday at 9:00 AM). This allows our members to utilize our warm summer weekends without missing weekly worship.

St. Paul's Lutheran School

Preschool through 8th Grade

Smaller class sizes ... more individualized attention ... a supportive family. Sounds good, right? We think so and it all happens as we teach more than the subjects and skills our children will need for life, but also hold out the strength to endure a world plagued by sin and overcome by hatred, disaster, and death. The Bible is the foundation for everything we do and we think that makes for a pretty special place. Contact Mr. Aaron Hartwig to learn more about all St. Paul's Lutheran School can do for you and your family.

Beginner Summer Trap League

This program is for males or females that wish to try trap shooting for the first time or any youth that may have an interest in shooting on the WLA Trap Team. The program is being used as an entry point for kids in 6-12th grade to be a part of the WLA Varsity or Junior Varsity team. Unfortunately, any students who previously shot in any High School programs are not eligible. A Wescot Sportsmans Club adult membership that is held by a parent, grandparent, aunt or uncle is required. Wisconsin Hunters Safety course is desired but not required for this program. Wescot provides SSSF & NRA-certified shotgun instructors. Fun begins Wednesday, June 15th and runs for 8 weeks every Wednesday at 6:00 pm. Cost is \$45.00 per shooter and includes all your clay birds and either 12 or 20 gauge shells. Wescot is committed to both youth shooting and new adult shooters by offering this 67% off price. Sign up at Wescot Sportsmans Club (N6802 Cty Rd I, FdL) during open hours, Tuesdays and Thursdays 6-10 pm or Sundays 1:00-5:00 pm. You may also call 920-923-6486 during open hours. Or e-mail Chris Kohnke at wlatrapteam@gmail.com. Participants should provide ear protection, safety glasses, and gun. In the event you need to borrow any of these items, please contact Chris.

Scrip Changes and Updates

WLA and St. Paul's Offer Scrip as a way to reduce the overall cost of tuition for our families. However, did you know that even those who don't send children to either institution can still use Scrip to send funds to those places for students who might need it?

The Scrip program has recently had a few changes to the electronic side of the program. ShopWithScrip.com and MyScripWallet are now (as of May 3) under the RaiseRight name. Here's what to expect:

- The website URL has changed to RaiseRight.com.
- You'll see a new desktop shopping experience, including new features and benefits. We'll be adding prompts to the site to help show you around.
- No changes to your account or sign-in information. Plus, no changes to the mobile app.

Visit the Rebrand Resource Center for additional information. If you haven't set up your RaiseRight app and purchased e-scrip cards yet, what are you waiting for? It couldn't be easier. Due to a fraudulent attempt, WLA's enrollment code has had to be changed, so, unfortunately, we're unable to continue publishing it. Just give us a call or email gbates@wlavikings.org for the new code or if you have any questions.

Thank You

The Board of Properties has been hard at work on various items over the last few weeks. The sacristy toilet has been fixed and is working once again. Sinks in the school have been repaired. Maintenance on the gym roof has taken place, the outdoor basketball hoop that was rusted through has been repaired (special thanks to our village maintenance crew who was willing to bring a lift over to raise the hoop into place for us and a member who cleared out the rust and repainted the backboard to better than new condition). Lawn clean-up was done and mowing is once again underway. They have also contracted Asphalt Specialists (via council approval) to come this summer and repair cracks in and seal our parking lot (this is a \$10,000 fix that has been on our agenda for the last several years). Costs for these items come from the Improvement Fund our congregation has established. Thanks to the board members and all others who have been hard at work in service to our Triune God and St. Paul's.

Organ repair

Our Organ was repaired last week by Music Solutions of Wisconsin. One of four amplifiers was replaced for \$1,729.00 (from the organ/piano fund). Our hope is that this eliminates the crackling that has been heard from time to time from our organ speakers.

Information Request for Highschool and College-aged students

Parents of Highschool and College aged students. It's that time of year again! We would love to let the congregation know where are young people are all headed so that they can remain in the prayers of their fellow Christians here at church. Our hope is to list all students transitioning into Highschool next year in our May 28-29 bulletin. We would then like to list all our students finishing their high school education and transitioning into jobs or higher education the first week in June and all graduating from tech schools and colleges the second Sunday in June. *Please e-mail Pastor Kampman your student's name (first and last) the school they are graduating from and the future plans your graduate has.* We will also use this information to let our synod know where our youth are so that various freebies (especially for college students who are away from home) can be sent out to them.

Pre – 2 Spring Festival this Sunday at 2:00 PM
