## God's Word This Week

Easter 7

When Jesus' followers gathered together, they comprised a group that was not very diverse. They belonged to the same ethnic group, grew up in the same culture, and spoke the same language. That would change drastically on Pentecost when the gospel would be proclaimed in many languages to people from every nation under heaven (Acts 1:5). This diversity has always been part of Christ's plan. Rather than eliminating differences among the Church's members, the Church's unity is built on truths that transcend those differences. The Church's one foundation is Jesus Christ her Lord! As we follow Him, the Church truly is united into what we confess so regularly, a communion of saints.

### Our Summer Schedule has officially begun!

Service Times between Memorial Day and Labor Day will be Thursdays and Saturdays at 6:30 pm and Sundays at 9:00 am. The added Thursday timeslot allows our members to get out and enjoy the weekends during the summer without giving up the much needed rest God provides for our souls each week. See you all in worship!

### Ammo Can Offering for the Lutheran Military Support Group

This week in worship the ammo can is out to support our veterans and their families. The Lutheran Military Support Group assists military families in the various struggles that they encounter from PTSD to everyday life in the military. Find out more at [lutheranmilitary.org](http://lutheranmilitary.org).

### Save the Date for Summer Fun at Vacation Bible School

VBS has been slated for the first week in August (1-5). If you would like to help, please contact Pastor Ehlert.

## **Information Request for Highschool and College-aged students**

Parents of Highschool and College-aged students. It's that time of year again! We would love to let the congregation know where are young people are all headed so that they can remain in the prayers of their fellow Christians here at church. We hope to list all students graduating Highschool in next week's bulletin. We would like to list all our students graduating from tech schools and colleges on the second Sunday in June. *Please e-mail Pastor Kampman your student's name (first and last) the school they are graduating from and the future plans your graduate has.* We will also use this information to let our synod know where our youth are so that various freebies (especially for college students who are away from home) can be sent out to them.

## **History Committee**

Sharon Adams, who has been volunteering as our church historian for the last several years, has moved to Waupaca and will be joining Immanuel Ev. Lutheran Church there. While we wish Sharon the best, it also means that if anyone or a group would like to step into that role it is available. If you're interested please contact the church office.

## **Pentecost Is Coming**

That's important for any number of reasons but also because we had talked about transitioning into the new hymnal's services at that time as well. We will begin next week in Setting One which is much like the Common Service we remember.

## **St. Paul's Lutheran School**

## **Preschool through 8<sup>th</sup> Grade**

Smaller class sizes ... more individualized attention ... a supportive family. Sounds good, right? We think so and it all happens as we teach more than the subjects and skills our children will need for life, but also hold out the strength to endure a world plagued by sin and overcome by hatred, disaster, and death. The Bible is the foundation for everything we do and we think that makes for a pretty special place. Contact Mr. Aaron Hartwig to learn more about all St. Paul's Lutheran School can do for you and your family. Registration is open!

## **Worship & Communion Prayers have been added to the Hymnals**

A page of worship and communion prayers has been added to hymnals. It is located in the front cover as you open the book. Should you want a sticker for your hymnal at home, let us know and we can get you one.

## **A note about our plants**

Just a reminder that even if our plants look dry someone is caring for them on a weekly basis. Of late, they have been getting a little too much water and have begun to smell a bit as a result.
